HLA Prime Protect Gold

I'm So Confident Because I'm Protected

In your senior years, it gets more difficult to qualify for life insurance. HLA Prime Protect Gold is an insurance plan that offers life protection up to age 80 even if your life insurance application has been denied in the past.

| Benefit | Plan 25,000 | Plan 50,000 | Plan 100,000 |
|-------------------------------------|---|-------------|--------------|
| | Amount Payable (RM) | | |
| Death Benefit | 25,000 | 50,000 | 100,000 |
| Additional Accidental Death Benefit | 75,000 (provided age at accident is 65 and below) | | |
| | 37,500 (provided age at accident is above 65) | | |

You can be assured that the death benefit is at least the total premium you have paid at any point of time. However, if death occurs due to non-accidental causes in the first two policy years, the plan only returns you the premium that you have paid.

On top of that, HLA Prime Protect Gold returns 110% of premium paid upon policy maturity, provided there are no prior claims.
